NOTE: *All lead characters and dancers need to have a stage make up kit (yes Chris, this means you.)* All other characters may have a stage make up kit or a make up kit with the following items; brown or black eye liner, coral dry blush, neutral lip color, face powder and mascara. All characters will be wearing a wig or a hat. You will need to have your own supply of bobby pins (for all actors with long hair), hair spray for everyone, hair gel for actors with short or very curly hair. You will also need to have a comb. Finally, make up wipes and face lotion are also good additions to a make up kit. These things must all be in a box or ziplock back with name printed clearly.

You will ALL need a wig cap – you can get them cheap at Sally’s – 2pk for \$4 but get it NOW because they run out!
